Westville, IN 46391

**PURPOSE OF ADDENDUM**

This document serves an addendum to the Consumer Confidence Report (CCR) submitted on June 27, 2025, for New Durham Estates.

The purpose of this addendum is to provide additional documentation and clarification regarding the lead service line inventory.

**SUMMARY OF REVISIONS**

Our system completed a lead service line inventory in 2024. If you would like to view the inventory information, it is available online at <https://idem.120water-ptd.com/>. Simply type your home address into the search box to see details about your lead system.

**UPDATED RESULTS SUMMARY**

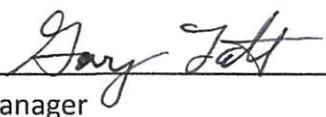

Additional information regarding the lead service line inventory was updated on October 31, 2025. The website to view the lead system by address is included in this addendum.

**CONCLUSION**

The CCR conclusions remain valid, with this addendum supplementing the original report to address IDEM's comments and include updated data.

**CERTIFICATION**

I certify that the information is, to the best of my knowledge, true, accurate, and complete.
